Career Objective

Recent Data Science graduate with strong expertise in Database Development and Management. Skilled in SQL, PL/SQL, database design, and building scalable data solutions using Python, Tableau, and Power BI.

Education

B.S. Data Science, Alexandria University June 2025 GPA: 3.3/4.0
Data Analysis Certification, NTI Mar 2025

Experience

Data Analyst Intern, SAS Viya Jul–Aug 2023

- Built & deployed ML models, improved accuracy 15%
- Cleaned and optimized data pipelines using Pandas

Projects

Financial & Equity Analysis – Saudi Stock Market (Freelance) 2024

- Analyzed financial statements, balance sheets, and cash flow
- Calculated key ratios (ROE, P/E, Debt/Equity)
- Combined fundamental and technical analysis

HADIR: Face + Wi-Fi Attendance System 2024–2025

- Built full-stack proxy-proof system using FaceNet, OpenCV, Flask & SQLAlchemy
- Designed database schema with MySQL and PL/SQL (stored procedures)

Data Analytics Case Studies 2026

- **Operational Baseline:** Created Heat Map showing “Dead Zones” where Service Level dropped below 5% and identified recurring 7:00 PM system failure
- **Efficiency & Trends:** Built Combo Chart revealing Capacity Gap and highest abandonment risk on Days 5–10 of the month
- **KPI Correlation & Strategic Plan:** Developed Executive Scorecard with Bubble Charts and Gauge charts to drive Service Level improvement

Social Media Analytics Dashboard 2025

- Tableau/Power BI: Analyzed 2M impressions and 216K likes

Amazon Prime Video Analysis 2025

- SQL + Tableau: Analyzed 7.8K movies and 1.8K TV shows

UT Mart Sales Dashboard 2025

- Tableau: Identified Tech revenue of \$836K and reduced inventory costs 10%

Skills

Technical: SQL, PL/SQL, MySQL, Database Design, Stored Procedures, Query Optimization, Python (Pandas, NumPy), Tableau, Power BI, Advanced DAX, Excel, R, SAS Viya, AWS
Soft: Analytical Thinking, Communication, Teamwork, Problem Solving
Languages: English (Fluent), Arabic (Native)

Leadership

President – College Theater Team, Alexandria University Sep 2022–Present

- Directed 5+ productions

Additional

Visa: Eligible for CPT/OPT (F-1) for US opportunities
